CIVIL ACTION

NO 3133

C O M P L A I N T

1. The jurisdiction of this Court is invoked pursuant to provisions of Title 28, United States Code, Section 1343(3). This action is authorized by law, Title 42, United States Code, Section 1983. This action is brought to redress the deprivation of rights, privileges and immunities secured to plaintiffs by the Constitution and laws of the United States [due process and equal protection clauses of the Fourteenth Amendment and Article 1, Section 8, Clause 3, the Commerce Clause of the Constitution and Title 49, United States Code, Section 3(1) (Railroad and Pipeline Carriers) and Section 316(d) (Motor Carriers)]. Plaintiffs have been deprived of these rights, privileges and immunities by the defendants while acting under color of state statutes, city ordinances, state custom and state usage, as hereinafter more fully appears.

2. The jurisdiction of this Court is also invoked pursuant to provisions of Title 28, United States Code, Section 2281 and Section 2284. This is an action to enjoin the enforcement of certain statutes of the State of Mississippi requiring racial segregation on common carriers, and in waiting room and rest room facilities utilized by common carriers, and providing criminal penalties for carriers and persons refusing to abide by such segregation. The statutes sought to be enjoined are Title 11, Sections 2351, 2351.5 and 2351.7, and Title 28, §§7784, 7785, 7786, 7786-01, 7787, 7787.5, Mississippi Code Annotated (1952).

3. This is a proceeding for a preliminary and permanent injunction enjoining defendants and each of them, their agents, employees, attorneys, successors and all persons in active concert and participation with them from:

a) continuing to enforce certain statutes of the State of Mississippi requiring racial segregation on common carriers, in waiting rooms used by common carriers, and rest room facilities maintained by common carriers, i.e., Title 11, Sections 2351, 2351.5 and 2351.7, and Title 28, §§7784, 7785, 7786, 7786-01, 7787, 7787.5, Mississippi Code Annotated (1952) and any other statute of the State of Mississippi requiring or permitting such segregation.

b) continuing to enforce ordinances of the City of Jackson, Mississippi, requiring racial segregation in waiting rooms and rest room facilities owned and/or maintained and utilized by common carriers.

c) continuing to enforce a policy, practice, custom, regulation or usage, under color of state law or city ordinance, of segregating Negro and white passengers on common carriers and in the facilities and services of the depots, stations, terminals, owned and/or utilized by carriers in connection with their businesses of transporting interstate and intrastate passengers for hire.

d) continuing to enforce a policy, practice, custom and usage of segregation in the facilities and services of the Jackson Municipal Airport including but not limited to the airport restaurant owned and operated by the City of Jackson or owned and leased by the City of Jackson to a private individual for the benefit of airline passengers and the general public.

e) continuing to arrest, harass, intimidate, threaten or coerce the plaintiffs and members of their class in connection with the exercise of their federally protected right to use interstate and intrastate transportation facilities and services without segregation or discrimination against them solely because of race and color.

4. This is a class action brought by the plaintiffs on behalf of themselves and on behalf of other Negroes similarly situated and affected by the statutes, ordinances, policies, practices, customs, regulations and usages complained of herein. This class action is brought pursuant to provisions of Rule 23(a) (3) of the Federal Rules of Civil Procedure. The members of the class on whose behalf plaintiffs sue are too numerous to be brought individually before this Court, but there are common questions of law and fact involved, common grievances arising out of common wrongs, and a common relief is sought for each plaintiff and for each member of the class, as hereinafter more fully appears. The named plaintiffs fairly and adequately represent the members of the class on behalf of which they sue.

5. The plaintiffs are: Samuel Bailey, Joseph Broadwater, and Burnett L. Jacob. Each plaintiff is an adult Negro citizen of the United States and of the State of Mississippi, presently residing in Jackson, Mississippi.

6. The defendants in this case are: Joe T. Patterson, Attorney General of the State of Mississippi, the chief law enforcement officer of the State; the City of Jackson, a municipal corporation, organized and existing under the laws of the State of Mississippi; Allen C. Thompson, Mayor of the City of Jackson and chief law enforcement officer of the City; Douglas L. Lucky, a commissioner of the City of Jackson; Thomas B. Marshall, a commissioner of the City of Jackson; W. D. Rayfield, Chief of Police of the City of Jackson; Continental Southern Lines, Inc., also known as Continental Trailways, a Louisiana corporation doing business in Jackson, Mississippi, an interstate motor carrier; Southern Greyhound Lines, a division of Greyhound Corporation, an Illinois corporation doing business in Jackson, Mississippi, an interstate motor carrier; Jackson City Lines, Inc., a Mississippi corporation organized and existing under

the laws of the State of Mississippi, an intrastate motor carrier doing business in the City of Jackson, Mississippi; Illinois Central Railroad Company, Inc., an Illinois corporation doing business in the State of Mississippi, an interstate railroad carrier.

7. Plaintiffs allege, on information and belief, that Continental Southern Lines, Inc., owns and/or operates the Trailways bus depot located at 201^{E.}/~~P~~ascagoula Street in the City of Jackson, Mississippi, and utilizes this depot in connection with its business of transporting interstate and intrastate motor passengers for hire.

8. Plaintiffs allege, on information and belief, that the Greyhound Corporation owns and/or operates the Greyhound bus depot located at 219 No. Lamar Street in the City of Jackson, Mississippi, and utilizes said depot in connection with its business of transporting interstate and intrastate motor passengers for hire.

9. Plaintiffs allege, on information and belief, that defendant Jackson City Lines, Inc., maintains an office at 800 West Monument Street in the City of Jackson.

10. Plaintiffs allege, on information and belief, that the Illinois Central Railroad Company, Inc., owns and/or operates the Illinois Central Passenger Station located at 300 West Capitol Street in the City of Jackson, Mississippi, and utilizes said station in connection with its business of transporting interstate and intrastate passengers for hire.

11. Plaintiffs allege that the Jackson Municipal Airport Terminal is owned and operated by the defendant City of Jackson and that the defendant Douglas L. Lucky, Commissioner of the City of Jackson, has direct supervision and control over the said airport and its terminal. Plaintiffs allege that the rest rooms at said terminal are segregated and that Negroes are denied service

upon the same terms and conditions applicable to white persons in the airport terminal restaurant. Plaintiffs allege, on information and belief, that the City of Jackson has leased to one Cicero Carr, an individual, the space in the airport terminal allotted for a restaurant facility and that this restaurant facility is operated by said individual under said lease for the use and benefit of airlines passengers and the general public using the airport..

12. Plaintiffs allege that defendant Joe Patterson, as Attorney General of the State of Mississippi, is under a duty to enforce Title 11, §§2351, 2351.5 and 2351.7 and Title 28, §§7784, 7785, 7786, 7786-01, 7787 and 7787.5 of the Mississippi Code Annotated (1952), and threatens to enforce such laws against plaintiffs and the defendant carriers if said laws are violated by the plaintiffs or the defendant carriers. Plaintiffs allege that these statutes (requiring separate railroad cars, separate partititons on busses, separate rest room facilities, separate waiting rooms, and the posting of signs designating the separate facilities assigned to the Negro race and the separate facilities assigned to the white race) are unconstitutional on their face.

13. Plaintiffs allege that each defendant carrier is enforcing segregation of white and Negro passengers transported by it on its transportation facility and is enforcing segregation in the depots, stations, or terminals owned and/or operated by each carrier and utilized by it, pursuant to the requirements of the statutes set forth above.

14. Plaintiffs allege that the defendant city officials are under a duty to uphold and enforce the provisions of a city ordinance requiring segregation in waiting rooms and rest rooms maintained by common carriers (ordinance adopted January 12, 1956 and recorded in Minute Book "FF" p. 149). Plaintiffs allege that this ordinance is unconstitutional on its face. These defendants have threatened to enforce this ordinance against the

plaintiffs and members of their class if they violate said ordinance.

15. Plaintiffs allege that the defendants, and each of them, acting under color of the laws of the State of Mississippi, referred to herein, and under color of the ordinance of the City of Jackson, referred to herein, have pursued and are presently pursuing a policy, practice, custom and usage of segregating Negro and white persons on all common carriers in the State of Mississippi, in all depots, stations and terminals utilized by common carriers in the State of Mississippi, including the waiting room, rest room, and restaurant facilities of the airport terminal in Jackson, Mississippi.

16. Plaintiffs and members of their class have suffered and shall continue to suffer irreparable injury as a result of the enforcement or threat of enforcement of the state statutes referred to herein, the city ordinance referred to herein, and the policy, practice, custom and usage complained of herein, until such irreparable injury is enjoined by this Court. The plaintiffs have no other speedy or adequate remedy at law to redress the deprivation of rights, privileges and immunities complained of herein. Any other remedy to which the plaintiffs might be remitted would be attended by such uncertainty and delay as to result in further irreparable injury and would lead to frustration and vexation of the plaintiffs and the defendants as public officials and public carriers.

17. The segregation complained of herein subjects plaintiff and members of their class to daily public inconveniences, harassment, and embarrassment, violates rights secured to plaintiffs and members of their class by the due process and equal protection clauses of the Fourteenth Amendment to the Federal Constitution and Article 1, Section 8, Clause 3 (Commerce Clause) of the Federal Constitution and by the laws of the United States, Title 49, §§3(1) and 316(d).

WHEREFORE, plaintiffs pray that this Court will take the necessary steps to convene a three judge court as required by Title 28 U. S. C. 2284, and will advance this case on the docket and order a speedy hearing of this action, and will grant a preliminary and permanent injunction enjoining the defendant and each of them, their agents, employees, attorneys, successors and all persons in active concert and participation with them, from:

a) continuing to enforce certain statutes of the State of Mississippi requiring racial segregation on common carriers, in waiting rooms used by common carriers, and rest room facilities maintained by common carriers, i.e., Title 11, Sections 2351, 2351.5 and 2351.7, and title 28, 7784, 7785, 7786, 7786-01, 7787, 7787.5, Mississippi Code Annotated (1952) and any other statute of the State of Mississippi requiring or permitting such segregation.

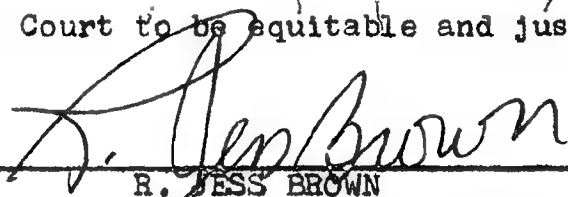

b) continuing to enforce ordinances of the City of Jackson, Mississippi, requiring racial segregation in waiting rooms and rest room facilities owned and /or maintained and utilized by common carriers.

c) continuing to enforce a policy, practice, custom, regulation or usage, under color of state law or city ordinance, of segregating Negro and White passengers on common carriers and in the facilities and services of the depots, stations, terminals, owned and/or utilized by carriers in connection with their businesses of transporting interstate and intrastate passengers for hire.

d) continuing to enforce a policy, practice, custom and usage of segregation in the facilities and services of the Jackson Municipal Airport including but not limited to the airport restaurant owned and operated by the City of Jackson or owned and leased by the City of Jackson to a private individual for the benefit of airline passengers and the general public.

e) continuing to arrest, harass, intimidate, threaten or coerce the plaintiffs and members of their class in connection with the exercise of their federally protected right to use interstate and intrastate transportation facilities and services without segregation or discrimination against them solely because of race and color.

Plaintiffs also pray that this Court will grant them their costs herein and grant them such other, additional, or further reliefs as may appear to the Court to be equitable and just.

If the restaurant had been opened and if the group had demanded service, arrests would have been made by the Sheriff's Office to bring a test case into county court. Prior arrests were made by Tallahassee police.

Florida Civil Liberties Union has retained four attorneys to represent the freedom riders at Tallahassee. It has been indicated they will allege the Tallahassee police were without jurisdiction at the airport which lies outside the city limits although it is city-owned. It is also anticipated the defense will challenge the constitutionality of the unlawful assembly statute under which arrests were made.

Trial of three freedom riders arrested at Ocala, Florida, 6/16/61, scheduled for 6/21/61, has been postponed until 7/5/61.

Seventy persons attended CORE meeting at Washington, D. C., 6/20/61. The following transpired:

It was stated freedom ride from Washington, D. C., to Tallahassee, Florida, had been rescheduled from 6/20/61 to 6/23/61, at the request of CORE National Headquarters in order to postpone the trip until after the trial of freedom riders at Tallahassee, 6/22/61.

Primary purpose of the meeting was to discuss "Operation Vacation in Jail." This plan, still in formative stage, would send as many as possible from Washington for a one-week southern tour starting 7/1/61. All arrested would stay in jail as long as possible.

A committee was established to investigate discrimination in employment, particularly hiring practices of the Hecht Company and the Hahn Shoe Store. Committee also established to determine whether discrimination is practiced at the Levitt housing development at Bel Air, Maryland.

It was stated the next national project of CORE will be the picketing of Federal buildings throughout the country 7/4/61, but this will occur only if the Interstate Commerce Commission has not ordered desegregation of all interstate transportation facilities. All offices being advised.

ACTION.

Memorandum to the Attorney General being prepared.

Memorandum to Mr. Belmont

DETAILS

Nine freedom riders proceeded from Montgomery, Alabama, to Jackson, Mississippi, by Trailways bus on 6/21/61 and were arrested at 6:15 p.m. when they entered the white waiting room in the bus terminal at Jackson and refused to leave. They will probably be tried 6/22/61.

One hundred forty freedom riders have been arrested at Jackson since 5/24/61. Forty-four have been released on bond, four have been released upon the payment of fines and 92 remain in custody. All of those in custody at the Jackson City Jail and the Hinds County Jail are eating.

[redacted] a freedom rider who was arrested at Jackson, Mississippi, 6/2/61, filed a petition for a writ of habeas corpus in U. S. District Court, Biloxi, Mississippi. At a hearing before U. S. District Judge S. C. Mize on 6/21/61, the City of Jackson alleged that the action was premature in that the petitioner had not exhausted remedies available in State Court. Counsel for [redacted] maintained that his client could hope for no assistance from the Mississippi State Courts and therefore the filing of a petition in Federal Court was in order. Judge Mize took the matter under consideration to render a decision by 6/27/61. [redacted] is still incarcerated.

[redacted] Congress of Racial Equality (CORE), New Orleans, advised on 6/21/61 that four freedom riders were to arrive in New Orleans from Los Angeles by airplane on the morning of 6/22/61, and that ten freedom riders left San Francisco on the morning of 6/21/61 by Southern Pacific train, Sunset Limited, to arrive in New Orleans, 6/23/61. The two groups will be joined in New Orleans and will proceed to Jackson, Mississippi, probably on 6/26/61.

The local press in San Francisco has reported on 6/20/61 that [redacted] was among a group of freedom riders who were proceeding to New Orleans. Information has previously been received to the effect that one [redacted] was a member of the Oakland-Berkeley Socialist Workers Party from February, 1959, to May, 1960, at which time he dropped out due to political differences with some of the other members.

Memorandum to Mr. Belmont

Trial of the rabbis and ministers who were arrested at the Tallahassee airport on 6/16/61 is scheduled for 6/22/61. Eight of the defendants arrived in Tallahassee by airplane on 6/21/61. The restaurant at the airport had been closed prior to their arrival. Two white clergymen in the group entered the colored rest room but there was no incident.

Prior to the arrival of the above group in Tallahassee, Chief Deputy [] Leon County Sheriff's Office, Tallahassee, advised that the restaurant would be closed prior to the arrival of the rabbis and ministers. He also stated that if the restaurant should be opened when they arrive and if the group should seek service, they would be requested to leave the premises under the provisions of Florida Statute 509.141 of the Hotel and Restaurant Commission Regulations which states that the owner of a restaurant has the right to refuse service to any individual. [] also stated that if the group should remain in the lobby for an unreasonable length of time and refuse to move on, they might be arrested on charges of unlawful assembly by the Tallahassee police.

Ed Hill, Tallahassee City Prosecutor, has advised that the Sheriff's Office was designated to handle any arrests in the airport restaurant so that a test case could be brought before the Leon County Court, Tallahassee. Hill also stated he has been informed that []

[] Miami attorneys, have been retained by the Florida Civil Liberties Union to represent the freedom riders at their trial in Tallahassee. Hill believes that the Miami attorneys will allege that the Tallahassee police had no jurisdiction at the airport which lies outside the city limits although it is city-owned property. Hill also anticipates that the defense will challenge the constitutionality of the statute pertaining to unlawful assembly under which the arrests were made.

[] freedom riders who were with the so-called union and professional group which originated at Washington, D. C., and who were arrested at the bus station in Ocala, Florida, 6/16/61, were scheduled for trial at Ocala, 6/21/61. Trial has been postponed to 7/5/61. They are charged with failure to obey the order of a police officer who told them they could not eat at the bus station restaurant and who asked them to leave.

Memorandum to Mr. Belmont

Information has been received that the Washington, D. C., Chapter of CORE held a meeting 6/20/61. Approximately 70 persons were present. Julius W. Hobson, President of the Chapter, reportedly stated that the freedom riders who were to leave Washington, D. C., for Tallahassee, Florida, 6/20/61, has rescheduled their trip for 6/23/61 at the request of CORE National Headquarters. It was desired to postpone the trip until after the trial of the freedom riders at Tallahassee on 6/22/61, but it was stated that the trip will be made on 6/23/61 regardless of the outcome of the trial.

The primary purpose of the CORE meeting at Washington was to discuss "Operation Vacation in Jail," under which as many members of the Washington, D. C., Chapter as possible will depart from Washington, 7/1/61, for one week's travel through the southern states. All of those arrested will stay in jail as long as possible before returning to Washington. Plans for this operation are still in the formative stage.

The CORE meeting established a committee to investigate discrimination in employment with emphasis being placed upon the hiring practices of the Hecht Company and the Hahn Shoe Store. A housing committee was established to determine whether discrimination is being practiced at the Levitt housing development, Bel Air, Maryland.

It was also reported that Hobson informed the meeting that the next national project of CORE will be a nationwide picketing demonstration on 7/4/61 if the Interstate Commerce Commission (ICC) has not ordered all interstate transportation companies to desegregate their facilities. If this project is put into effect, the Washington Chapter of CORE will picket the ICC offices in Washington for two hours, and Federal buildings throughout the country will be picketed. Hobson emphasized that these plans were contingent upon the action taken by the ICC. This information is being brought to the attention of all offices.

It was indicated that copies of the above letter had been furnished to Sheriff J. R. Gilfoy, Hinds County, Mississippi, and Mississippi Attorney General Patterson.

[redacted] all of whom gave Los Angeles addresses, were among those arrested at Jackson, Mississippi, on June 25, 1961. At the time of their arrest [redacted] refused to state whether they were members of the Communist Party.

The Johnson-Forest Group is a Marxist organization which has been cited as subversive by the Attorney General under the provisions of Executive Order 10450. Information has been developed that one [redacted] a new member of the Socialist Workers Party, recently left Los Angeles to participate in a freedom ride.

Representatives of various groups are scheduled to meet in Jackson, Mississippi, on June 27, 1961, to discuss freedom-ride policy. [redacted] does not anticipate that any major changes will result from the meeting and he believes that the meeting will deal primarily with means of achieving better coordination between participating organizations.

Twenty freedom riders were arrested at Jackson, Mississippi, on June 25, 1961, when they entered the white waiting room at the railroad depot upon their arrival from New Orleans. They were charged with breach of the peace in that they failed to comply with orders from the police that they leave on.

One of those arrested was [redacted] who gave a Philadelphia address. Information has been received that [redacted] a member of the District Committee, Communist Party of Eastern Pennsylvania and Delaware, was engaging in a freedom ride.

One hundred sixty-four freedom riders have been arrested at Jackson since May 24, 1961. Fifty-two have been released on bond, four have been released upon paying fines and one hundred eight remain in custody.

[redacted] Congress of Racial Equality, Jackson, Mississippi, advised on June 24, 1961, that he was mailing a letter to the FBI in which he alleges that freedom riders in custody at the Mississippi State Penitentiary, Parchman, are being subjected to cruel and inhuman punishment in that they are placed in the maximum security section of the penitentiary. [redacted] also said that a copy of his letter will be furnished to the Sheriff of Hinds County, Mississippi. Upon receipt of a [redacted] letter, copies will be immediately furnished to the Department.

[redacted] was arrested as a freedom rider at Jackson, Mississippi, and has been released on bond. [redacted] stated that he left Nashville on June 21, 1961, to return to his home at Selma and also assumed that his arrest occurred June 22, 1961. The press has reported that the National Association for the Advancement of Colored People has filed suit in U. S. District Court, Tallahassee, to force integration in the Tallahassee airport restaurant. The suit reportedly was filed by mail on June 20, 1961 by [redacted] Miami attorney, and the papers lie unopened in the office of the Clerk of the Court since the Clerk is on vacation.

[redacted] both of Tallahassee, and [redacted] of Miami, the Negro plaintiffs in the above suit, seek an injunction to restrain city officials and the restaurant concessionaire from making any distinction based on color at the airport restaurant. At approximately 12:30 P.M., 6-25-61, [redacted] Resident Agent, Jackson, Mississippi, telephonically advised 20 racially mixed freedom bus riders had been arrested by the Jackson, Mississippi, Police Department at 10:13 A.M., Central Standard Time, at the Illinois Central Railroad Depot, Jackson, Mississippi, without incident. The group had traveled by train from New Orleans, Louisiana, to Jackson, Mississippi, in order to attempt to integrate the railroad depot at Jackson. This group apparently consisted of 7 Negro males, 3 Negro females, 4 white males and 6 white females.

SA [redacted] related they were being booked and questioned by the police department at that time and as soon as police department records were available New Orleans would submit a teletype to the Bureau containing complete details and descriptions of those involved.

In connection with this, the 12:00 noon news, Radio Station WRC, Washington, D. C., mentioned that a group of 20 Negroes and whites, most of whom were from California, were taking a train from New Orleans to Jackson to test segregation laws in Jackson on this date. In connection with this, the news broadcast identified one Clair Toombs, 1921 East West Highway, Washington, D. C., as one of the participants. The Washington, D. C., Telephone Directory fails to list information concerning Toombs. A check with the information operator revealed that JU 8-7425 is a telephone listed for [redacted] Washington, D. C.

Section Chief [redacted] was telephonically furnished the above information.

He said he believed Negroes should continue to test segregated transportation facilities until their goal is achieved, though faced with the prospect of an indefinite period of arrest.

He further stated ICC had been asked to issue an order reaffirming the prohibition against segregation at transportation terminals. Remarked "Once that comes, it will clear the matter up once and for all."

Reverend Dr. JACKSON emphasized he was not "condemning the Freedom Riders, but said "my approach would be different."

"Having lived in Mississippi," he said at a press conference, "I know that Negroes going to jail won't touch the conscience of the segregationists. Their moral sensitivity is not that tender."

The Rev. Dr. JACKSON said that "where the laws of a state are in conflict with federal law, the state must obey the federal law."

"But this conflict must be corrected by the agencies of law, by the courts, and by the Federal Government itself. In making protest, I would make sure I was acting in harmony with the law."

ASAC Joseph Sylvester of the New Orleans Office has furnished the following information:

The attorney for one of the freedom riders arrested at Jackson, Mississippi, 6/2/61, filed a petition for a writ of habeas corpus before the U. S. District Court. A hearing was held in Biloxi, Mississippi, this morning before U. S. District Judge S. C. Mize to determine if the writ should be issued. Arguments on behalf of were presented by Attorney from New York.

The city of Jackson, Mississippi, was represented at the hearing by Jack Travis, City Prosecuting Attorney, and assistant to Travis.

Briefly the arguments presented were as follows.

Travis contended that the action was premature in that had not exhausted remedies available to her in state court.

maintained that his client could hope for no assistance in going to the Mississippi State courts and, therefore the filing of the petition in Federal Court was in order.

Judge Mize is taking the matter under consideration and will render a decision by Tuesday, 6/27/61.

continues to be confined in jail in Jackson, Mississippi.

SUBJECT: FREEBUS

FREEDOM RIDERS - MISC.

Four Negroes were arrested at Jackson, Mississippi, on 6/23/61 when they entered the white waiting room at the Trailways bus terminal to wait for a bus to New Orleans and refused to move on. They allegedly wished to prove that the Negroes at Jackson are not complacent. The Congress of Racial Equality (CORE) anticipates additional activity of this type at Jackson.

Since 5/24/61, 144 freedom riders have been arrested at Jackson. Forty-four have been released on bond, four have been released upon payment of fines and 96 remain in custody.

Although all freedom riders in the Jackson city jail and the Hinds County jail are eating, five of those at Mississippi State Penitentiary, Parchman, Mississippi, have engaged in a hunger strike. The hunger strikers are separated from the other freedom riders. Two of the five were observed eating and were returned to the group that is eating.

[redacted] one of the hunger strikers at Mississippi State Penitentiary, alleges he has not eaten for 21 days. He weighed 127 pounds, 6/16/61, and weighed 124 1/2 pounds on 6/20/61. The prison doctor states [redacted] is in good health and believes he is actually eating. [redacted] told prison officials on 6/23/61 he is on a hunger strike for "the good of the cause" and will not eat until buses at Jackson are integrated. He said that he is not sick.

[redacted] CORE, New York, has reportedly received a letter from [redacted] alleging that the FBI is "working more against us than anything else - they were supposed to be protecting us from the mobs - but they gave all information on us (after checking it) to the Jackson police. They told [redacted] that the people in his cell had very bad records (court martials, etc.) and I guess you know the rest." [redacted] letter was to [redacted] who furnished it to [redacted]

We have not furnished Jackson police with background information on the freedom riders although the usual Identification Division records have been sent out upon the receipt of fingerprints. We did not interview [redacted] the freedom rider to whom [redacted] apparently refers. A separate memorandum is being prepared concerning [redacted] letter.

ENCLOSURE

Memorandum for Mr. Belmont

The three freedom riders, who were to proceed from Washington, D. C. to Tallahassee, Florida, on 6/23/61 changed their plans and flew to New Orleans on 6/23/61. [redacted] CORE, New Orleans, advised that the three freedom riders from Washington, D. C. are joining the freedom riders who have come to New Orleans from Los Angeles and San Francisco, California, and Tucson, Arizona. The combined group of 21 will proceed to Jackson, Mississippi, by Illinois Central Railroad train, City of New Orleans, leaving New Orleans 7:10 AM, 6/25/61 and arriving at Jackson, 10:20 AM (CST) 6/25/61, (12:20 PM, Washington time).

The local press at Honolulu, Hawaii, reported on 6/23/61, that sympathizers of the freedom riders will picket when Governor John Patterson of Alabama arrives in Honolulu on 6/24/61. This item was furnished to the paper by John Reinecke, who was convicted under the Smith Act as a Communist Party functionary in Honolulu but whose conviction was reversed by the Ninth Circuit Court of Appeals in 1958. Reinecke said he will lead the pickets.

HAWAII

Third Army Headquarters, Atlanta, has reported that Paul D. Johnson, Lieutenant Governor of Mississippi, has received a letter from Mississippi State Sovereignty Commission which alleges that 2,000 freedom riders coming from New York and Chicago by all means of transportation will appear in all major cities in Mississippi during the week of 7/4/61.

[redacted] New Orleans Chapter of CORE, has received a letter from CORE, New York, encouraging the picketing on 7/4/61 of the Federal building housing Department of Justice offices and offices of Illinois Central Railroad. [redacted] said that this is part of a nation-wide plan but discretion rests with individual CORE chapters as to whether picketing will occur in any given locality. [redacted] doubts that picketing will occur in New Orleans.

A source, who is in a position to furnish reliable information, advised the New York Office of the FBI on June 11, 1961, that two groups of "Freedom Riders" would leave Washington, D.C., on June 13, 1961, via Greyhound Bus, making various stops in southern states to determine if bus terminal facilities were integrated. One group reportedly consisted of 18 clergymen, referred to as the Interfaith Group, while the other group, which subsequently split into two sections, was made up of 14 professional and union people.

This memorandum will deal only with the group consisting of 18 clergymen during the time they were in that part of Florida under the jurisdiction of the Jacksonville, Florida, Office of the FBI. Information concerning the group of 14 professional and union people is the subject of other memoranda.

The Interfaith Group entered Florida from Georgia at 6:48 a.m. June 15, 1961, via Greyhound Bus and arrived at Jacksonville, Florida, Greyhound Bus Terminal at 7:34 a.m. The group consisted of 7 white ministers, 7 colored ministers and 4 Jewish Rabbis.

Members of the group used the rest rooms and restaurant facilities on an integrated basis and no incidents occurred.

This group left Jacksonville for Tallahassee, Florida, at 8:34 a.m. June 15, 1961, by Greyhound Bus. They stopped en route at the Greyhound Bus Terminal, Lake City, Florida, where they used the rest rooms and restaurant on an integrated basis without incident.

The group arrived at the Greyhound Bus Terminal, Tallahassee, Florida, at 12:40 p.m. June 15, 1961, and had lunch in the formerly all-white lunchroom without incident.

The group thereafter traveled to the Tallahassee Airport in private automobiles, where they purchased tickets to New York City via Eastern Airlines.

The Tallahassee Police Department, in anticipation of possible racial disorder, sealed off the airport and permitted only those who had official business to transact to enter the grounds.

Upon attempt to use the facilities of the airport, it was discovered by the group that plumbers were repairing the rest rooms and that the restaurant had been closed allegedly for cleaning. Eight of the group subsequently returned to New York City that afternoon on Eastern Airlines Flight Number 268. The other 10 members of the group indicated their intention to remain at the airport until the facilities were opened to them.

[redacted] a member of Tallahassee Klavern, Florida Ku Klux Klan, was observed by members of the Tallahassee Police Department near the Greyhound Bus Station talking to several white individuals during the time this group was in the bus terminal. [redacted] later attempted to enter the airport bus but was turned away by police officers.

The group remained at the airport until midnight, at which time the police asked the group to leave the airport as it was being closed. The group thereafter went in private automobiles to the Bethel Baptist Church, Tallahassee, where they spent the night. The following morning, June 16, 1961, [redacted]

[redacted] Newark, New Jersey, [redacted] of the Interfaith Group, telephonically contacted the Jacksonville Office of the FBI and stated that his group, now composed of 2 Rabbis 3 Negro protestant ministers and 5 white protestant ministers, were then at the Tallahassee Airport. He said they returned to the airport at 7:25 a.m. that date, after first learning the airport restaurant normally opens at 7:00 a.m. He said they found the restaurant still closed and stated that they now intended to remain in the terminal until they could secure service at the restaurant. [redacted] advised that he had just been informed by the Chief of Police, Tallahassee, that he had a town of 50,000 people to protect and could no longer keep his police force at the airport for protection of the Interfaith Group. [redacted] said the chief of police had returned to Tallahassee with all but two of his men and that in addition there were two Florida State Police Officers in the airport. Fia

Shortly after noon, on June 16, 1961, the 10 members of the Interfaith Group were taken into custody by the Tallahassee Police Department and charged with unlawful assembling. Also arrested on same charge were 3 local individuals, who had joined the group at the airport. All were immediately transported to the Leon County Jail, Tallahassee, and were arraigned by City Judge John Rudd. Bond was fixed at \$500 and all were committed to jail when bond was not posted. After leaving the Tallahassee Jail, the group proceeded to the airport, where 8 members booked passage on National Airlines Flight 362, which departed from Tallahassee at approximately 3:35 p.m. June 17, 1961, for Jacksonville, Florida. They changed planes at Jacksonville, Florida, at approximately 4:55 p.m. and proceeded to Newark, New Jersey, by Eastern Airlines Flight 608, which was due to arrive at the Newark Airport at 8:30 p.m. on that date.

The 2 remaining members of the Interfaith Group, namely, [redacted] stayed in Tallahassee in the company of [redacted] FLA.

Governor Farris Bryant of Florida issued the following statement on June 16, 1961, as to his position in regard to the "Freedom Riders":

"Florida has accorded to the Freedom Riders the full protection of her laws. Regardless of cost or convenience, their trip across Florida was made peaceful and without incident. Unfortunately these people were not willing to leave Florida without creating discord and securing attendant publicity. In the last ten minutes of their scheduled stay, they embarked upon a new course designed to make trouble. If not deterred by local authorities they would have succeeded with damage to the poise and dignity of this state. We offer the full protection of the law to all in Florida who seek to pursue lawful purposes, but we issue no licenses granting immunity from arrest to those who violate our laws by their actions. Neither the cause, nor the composition of any group of people frees them from their obligation as citizens."

"Freedom Riders"
(Interfaith Group)

The "Florida Times Union" newspaper, Jacksonville, Florida, dated June 18, 1961, contained an article which disclosed that the Congress of Racial Equality had warned that a new team of "Freedom Riders" would come to Tallahassee next week for a second effort to "crack the racial barrier at the airport restaurant."

The above information was discussed on a continuing basis with [redacted] Military Intelligence (CIC), Jacksonville, Florida, and local authorities in the cities through which the group passed.

Chief Charles Mc Laughlin, Rye, New York Police Department, advised on June 21, 1961, that at about 10:30 PM on June 19, 1961, an attempt was made to burn a wooden cross on the lawn of the home of Mr. and Mrs. Philip Sterling, Kirby Lane, Rye, New York.

Cross was made out of a six foot length of flooring and cross piece was made from a piece of light wood molding. Cloth was wrapped around the wood and held in place by wire. Material appeared to have been covered with kerosene. Due to fact cloth was wrapped tightly about wood, it did not burn completely.

Mr. Sterling was at home at time of incident. He heard a sound similar to that of a fire cracker and some shouting. He went out of house and saw fire burning on the lawn which he extinguished with a garden hose. He reported that when he got outside, he observed no one in the vicinity and does not recall hearing the sound of an automobile leaving the scene.

Mr. and Mrs. Sterling are members of Executive Board of Rye-Portchester Chapter of National Association for Advancement of Colored People. Chairman of this chapter, [redacted] a Negro, recently attempted to rent an apartment in the Rye Colony Apartments.

[redacted] made inquiry by telephone and was advised apartment was available. She then went to the apartment development and was told a previous commitment for rental had been made. Mrs. Sterling later went to the same apartment and without previous contact was able to make immediate rental of an apartment. Based on this, legal action was instituted. On June 20, 1961, New York State Supreme Court ruled pertinent legislation passed by New York State Legislature, not effective until September, 1961.

This legislation will enable State Commission Against Discrimination to take jurisdiction in cases in multiple houses in which charges are made of discrimination because of race.

The Sterlings have advised Chief McLaughlin that they are of the opinion that the cross burning incident is a result of the action of Mrs. Sterling with regard to apartment renting activity.

Chief McLaughlin believes that the incident is the action of high school or college students and resulted from publicity given to freedom ride of [redacted]

FREEDOM RIDE 1961

RACIAL MATTERS; DESTRUCTION OF
AIRCRAFT OR MOTOR VEHICLES; CIVIL RIGHTS

One hundred sixty-four freedom riders have been arrested at Jackson, Mississippi, since May 24, 1961. Fifty-five have been released on bond, four have been released after paying fines, and one has been released without the filing of charges. One hundred four remain in custody.

It has previously been reported that a petition for a writ of habeas corpus was filed in U. S. District Court, Biloxi, Mississippi, by [redacted] a freedom rider who was arrested at Jackson on June 2, 1961. U. S. District Judge S. C. Mize has now informed attorneys for the petitioner that the petition must be denied because state remedies have not been exhausted. Judge Mize said that he will file a written opinion this week but he is giving further consideration as to whether or not the court should retain jurisdiction until state remedies have been exhausted.

We have been informed that representatives of organizations promoting freedom rides held a meeting at Jackson on June 27, 1961, which was described as a regular weekly meeting of the Freedom Ride Coordinating Committee. [redacted] Field Service, Congress of Racial Equality (CORE), New York City, and Reverend Martin Luther King were said to be the speakers. The meeting reportedly gave no consideration to discontinuing freedom rides but expressed an intention to continue freedom rides into Jackson, Mississippi, and other unspecified localities. It was said at the meeting that moral pressure is bearing heavily upon the people of Mississippi and the Freedom Ride Coordinating Committee will seek to maintain moral and legal pressure at Jackson. It was also stated that the Committee has bond money available for any convicted freedom rider who wishes it.

The Attorney General

After the meeting at Jackson, Reverend Wyatt T. Walker stated at a press conference that upon his release from Hinds County Jail on June 27, 1961, he was missing a diamond ring valued at \$275, as well as \$75 in cash. He alleged that some of the money belonged to his wife. Sheriff J. Robert Gilfoxy advised a representative of the press that he will make an immediate investigation of Reverend Walker's complaint. It is noted that Reverend Walker and his wife were arrested as freedom riders at Jackson, Mississippi, on June 21, 1961, and were released on bond on June 27, 1961.

The local press has reported that York, Pennsylvania, representatives of the National Association for the Advancement of Colored People (NAACP) will ride on a freedom train from Philadelphia to Washington, D. C., on July 12, 1961. It was stated that this is in connection with the fifty-second annual NAACP convention being held at Philadelphia from July 10 to July 10, 1961, and that the freedom riders will visit their respective Congressmen to press for civil rights legislation.

On June 27, 1961, the Civil Rights Division requested a preliminary investigation into allegations that freedom riders [redacted] were mistreated at the Hinds County Jail, Jackson, Mississippi.

[redacted] all of whom were arrested at Jackson, Mississippi, as freedom riders and all of whom have been released, were interviewed. They alleged that [redacted] practiced noncooperation when they were removed from Jackson, Mississippi, to the Mississippi State Penitentiary at Parchman, Mississippi, on June 18, 1961. They stated that [redacted] had suffered abuse, including being dragged to and from the prison van, having their clothes ripped off at the penitentiary, and being subjected to the use of wrist breakers and electric checkers.

The fact that the allegations are not confined to Hinds County Jail but extend to the Mississippi State Penitentiary was discussed with [redacted] of the Civil Rights Division by [redacted] of the FBI. It was pointed out that signed statements had been taken from [redacted] and that Sheriff J. Robert Gilfoxy of Hinds County had indicated he would be available later in the evening of June 27, 1961. It was also brought to [redacted] attention that any investigation at the

WLM:dsj

Mississippi State Penitentiary will require prior contact with the Governor or the person acting for him. The Governor and Lieutenant Governor are in Honolulu. The Acting Governor is George Y. Yarborough, President Pro Tempore of the State Senate. [redacted] stated that no further investigation should be conducted pending his review today of the signed statements taken from [redacted]. No further investigation will be conducted unless specifically requested by the Department.

Sheriff J. Robert Gilfoxy, Hinds County, Mississippi, has advised that [redacted] acted as though they were lifeless when they were taken from Jackson to the penitentiary. It was necessary to lift them into the prison van at Jackson and to lift them from the van at the penitentiary. It was also necessary to undress them and dress them in prison garb. When being removed from the prison van at the penitentiary, [redacted] allegedly stated that he would not move a muscle and would have to be dragged wherever he was taken. The Sheriff denied that the prisoners were abused in any manner and said that his men do not have wrist breakers and that no electric shockers were used. [redacted] is still incarcerated but Sheriff Gilfoxy said that when [redacted] was released on bond on June 19, 1961, he did not indicate that he had been mistreated in any way.

Further developments will be reported to the Department promptly.

FREEDOM RIDE 1961
RACIAL MATTERS; DESTRUCTION OF
AIRCRAFT OR MOTOR VEHICLES; CIVIL RIGHTS

Since May 24, 1961, one hundred sixty-four freedom riders have been arrested at Jackson, Mississippi. Fifty-eight have been released on bond, four have been released upon the payment of fines and one has been released without the filing of charges. One hundred three remain in custody.

[redacted] Congress of Racial Equality (CORE), Jackson, Mississippi, has advised that the Freedom Ride Coordinating Committee is establishing an office at Jackson to provide better coordination for freedom-ride activities. The office will be staffed by [redacted] and three others whose identities are not known to [redacted] at this time.

It has previously been reported that information was received alleging that two thousand freedom riders planned to appear in cities throughout Mississippi during the week of July 4, 1961. It has also been alleged that Mississippi officials plan to arrest any U. S. Marshals who may be used in connection with freedom-ride activities during this period.

Colonel T. B. Birdsong, who is in charge of the Mississippi Highway Safety Patrol, advised on June 28, 1961, that he has received no information concerning the alleged freedom ride by two thousand people. Colonel Birdsong remarked, "That is crazy," when asked about rumors that Mississippi officials would arrest U. S. Marshals. He said that he had not heard any such rumors.

M. E. Pierce, Chief of Detectives, Jackson, Mississippi, has made a discreet inquiry and concluded that the rumors regarding two thousand freedom riders probably stem from remarks made by Evangelist Billy J. Hargis who recently held a meeting at Jackson, Mississippi.

The Attorney General

Hargis said that two thousand or two thousand five hundred freedom riders would come to Jackson but Chief of Detectives Pierce believes this statement was made purely for the purpose of obtaining publicity. The exact date of the meeting could not be determined but it was indicated that it was held about two weeks after the freedom rides started.

Our sources in New Orleans, including contacts with CORE and the National Association for the Advancement of Colored People (NAACP), have no information regarding any mass freedom rides. We have been advised that a small group of freedom riders will travel from Nashville, Tennessee, to Jackson, Mississippi, sometime during the weekend of July 1, 1961.

The New Orleans Chapter of CORE is planning a demonstration to take place between 10:00 a. m. and 11:00 a. m. on July 3, 1961. There reportedly will be a parade from the St. James A. M. E. Church to the offices of the Illinois Central Railroad. The marchers will carry placards supporting the freedom riders and demanding that the Interstate Commerce Commission order the desegregation of transportation facilities. At least ten members of CORE plan to participate and they may be joined by representatives of the Consumers League, the NAACP, Negro fraternal organizations and graduate chapters of Negro college fraternities.

Julius W. Hobson, President, Washington, D. C. Chapter, CORE, advised on June 28, 1961, that three hundred local members of CORE will assemble on the Mall at 11:00 a. m. on July 4, 1961. They will proceed to Judiciary Square, Fifth and E Streets, Northwest, carrying signs protesting the arrest of freedom riders. The protest will be directed against the states rather than the Federal Government.

It was originally planned that a demonstration would be held in front of the Interstate Commerce Commission building in Washington, D. C., on July 4, 1961. Mr. Hobson said that this plan was abandoned as it was felt that it would be in poor taste to demonstrate in front of a Federal building. He also said that CORE members believe the Federal Government

The Attorney General

is doing everything in its power to promote racial equality. In this regard he made reference to legal action being taken by the Department of Justice to integrate restaurants in Louisiana.

Mr. Hobson commented that he has recommended to national headquarters of CORE that the freedom rides be discontinued because of a shortage of funds and because he feels that CORE has proven that segregation exists in transportation facilities in Mississippi, Alabama and Florida. He believes that legal action should now be taken in these states to effect the integration of transportation facilities. He added that the Washington Chapter of CORE will not sponsor future freedom rides but will devote its activities to housing matters in Washington, D. C.

It was further stated by Mr. Hobson that CORE groups throughout the country plan to hold demonstrations on July 4, 1961.

It has previously been reported that a suit was filed in U. S. District Court, Tallahassee, Florida, on behalf of three Negro ministers who seek to integrate the airport restaurant at Tallahassee. A hearing in this matter has now been scheduled for July 18, 1961, before U. S. District Judge G. Harrold Carswell.

The Department will be advised promptly of further pertinent developments.

In accordance with a request from the Department concerning alleged brutality in Hinds County Jail, Jackson, Mississippi, we have interviewed three complainants and Sheriff R. J. Gilfoy, Hinds County, Mississippi. The results of these interviews were hand carried to [redacted] Chief, Litigations Section, Civil Rights Division, at 9:40 a.m., 6-28-61, by Supervisor [redacted]. The Department desires no additional investigation of this matter until it has reviewed the material furnished to them.

[redacted] freedom riders who were arrested in Jackson, Mississippi, alleged that after being transferred from the city jail, Jackson, to the State Penitentiary, Parchman, Mississippi, they observed two other freedom riders, [redacted] being dragged nude by prison guards and trustees. They alleged unnecessary force was used by the prison guards. According to them, [redacted] were practicing non-cooperation and passive resistance. They also alleged "wrist breakers" and "cattle shockers" were used on [redacted].

Sheriff Gilfoy advised only force necessary to move [redacted] was used and great care was used to handle them so criticism could not result. Sheriff Gilfoy said these instructions were issued by him and the Governor of the State of Mississippi. The foregoing is furnished for your information.

A photostat copy of this letter was received by the Chicago Office in the mail from Lieutenant [REDACTED] of the Security Unit, Chicago Police Department, on 6/20/61. A newspaper clipping of 6/6/61 reflects that Reverend RICHARD GLEASON, a white minister from Chicago, had gone to Jackson, Mississippi as a "freedom rider." The article, which bears a Jackson, Mississippi dateline, states that GLEASON "announced today he is disillusioned and is severing all connections with the movement. 'I advise anyone thinking of joining the riders to look them over carefully' said Reverend RICHARD GLEASON, 24, who conducts a mission and has worked for several years with Negro delinquents on Chicago's south side. The Baptist minister said he was shocked when he discovered the backgrounds of some of his companions on the 'freedom ride' and their attitudes toward communism, atheism and police records."

were dragged to and from prison van, dragged in the prison, and allegedly had their clothes ripped off and were allegedly subjected to wrist breakers and electric shockers.

Investigation at the State Penitentiary requires prior contact with the Governor or person acting for him. Governor and Lieutenant Governor are in Honolulu. Acting Governor is George Y. Yarborough, President Pro Tempore of the State Senate. This was discussed with Civil Rights Division which stated no further investigation should be conducted pending its review of above signed statements of [redacted] on 6/28/61.

Sheriff J. Robert Gilfoy has advised [redacted] acted as though they were lifeless requiring they be lifted into prison van at Jackson, removed from prison van at penitentiary. It was also necessary to remove their clothes and dress them in prison attire. The sheriff denied the prisoners had been abused in any way, stated the deputies did not have wrist breakers and no electric shockers were used at any time.

[redacted] still incarcerated Mississippi State Penitentiary. [redacted] released on bond 6/19/61 and Sheriff Gilfoy states [redacted] did not indicate he had been mistreated.

Local press states National Association for the Advancement of Colored People (NAACP) representatives from York, Pennsylvania, will ride a freedom train from Philadelphia to Washington, D. C., 7/12/61. This is in connection with fifty-second annual NAACP convention being held at Philadelphia 7/10/61 to 7/16/61 and freedom riders reportedly will visit respective Congressmen to press for civil rights legislation.

ACTION:

A memorandum is being prepared for the Attorney General.

Memorandum for Mr. Belmont

DETAILS

One hundred sixty-four freedom riders have been arrested at Jackson, Mississippi, since 5/24/61. Fifty-five have been released on bond, four have been released after paying fines and one has been released without the filing of charges. One hundred four remain in custody.

It is noted that [redacted] a freedom rider who was arrested at Jackson on 6/2/61, has previously filed a petition for a writ of habeas corpus in U. S. District Court, Biloxi, Mississippi. U. S. District Judge S. C. Mize has informed the attorneys representing [redacted] that the petition must be denied because state remedies have not been exhausted. Judge Mize also informed the attorneys that he will file a written opinion during the week but is giving further consideration as to whether or not he should retain jurisdiction until state remedies have been exhausted.

With regard to the meeting at Jackson on 6/27/61 of organizations which promote freedom rides, [redacted] a reporter for the "Jackson Daily News," furnished the following information. The meeting was attended by

[redacted] Director, Field Service, Congress of Racial Equality (CORE), New York City; NY
Reverend Martin Luther King, Southern Christian Leadership Conference, Atlanta; GA

[redacted] Student Nonviolent Coordinating Committee, Atlanta; GA

[redacted] Student Nonviolent Coordinating Committee, Atlanta and Nashville; TENN.

Reverend Bernard Lee, Southern Christian Leadership Conference, Atlanta; GA

[redacted] Senior Field Representative, CORE, New Orleans; LA

James Bevel, Student Nonviolent Coordinating Committee, Nashville; TENN.

[redacted] Student Nonviolent Coordinating Committee, Memphis; TENN.

Reverend Ralph Abernathy, Montgomery Improvement Association. AL

Memorandum for Mr. Belmont

[redacted] and Martin Luther King reportedly were the spokesmen at the meeting which was described as a regular weekly meeting of the Freedom Ride Coordinating Committee. It was stated that there was no thought given to discontinuing the freedom rides but that freedom rides will continue to proceed to Jackson, Mississippi, and other places which were not specifically named. It was said that moral pressure is bearing heavily on the people of Mississippi and the group will seek to maintain moral and legal pressure in Jackson. It was claimed that bond money is available for any convicted freedom rider who wishes it.

James Saggus, Associated Press, Jackson, advised that a press conference was held after the above meeting at which time Reverend Wyatt T. Walker ^{miss} alleged that upon his release from Hinds County Jail 6/27/61 he was missing a diamond ring valued at \$275 and \$75 in cash, including some money which belonged to his wife. It is noted that Reverend Walker and his wife were arrested as freedom riders at Jackson on 6/21/61 and were released on bond on 6/27/61. Saggus said that Sheriff J. Robert Gilfoxy stated that he will make an immediate investigation of Walker's complaint.

On 6/27/61 the Civil Rights Division requested a preliminary investigation regarding alleged brutality to freedom riders at the Hinds County Jail, Jackson, Mississippi. This request was based upon a newspaper article quoting Kenneth Shilman, former freedom rider, as having alleged that Felix Singer and Terry Sullivan were dragged along a concrete corridor, had their clothes ripped off, and were subjected to the use of "wrist breakers" and electric shockers. Signed statements setting forth details of the complaint have been obtained from [redacted] all of whom were arrested at Jackson, Mississippi, as freedom riders and all of whom have been released. The complainants state that when the prisoners were being moved from Jackson to the Mississippi State Penitentiary at Parchman, Mississippi, on 6/15/61, [redacted] decided to practice noncooperation. It was, therefore, necessary for them to be dragged or carried to the prison van at Jackson and Sullivan's head was allegedly hit against the van as he was being placed in it. Except for this instance the alleged mistreatment occurred at the penitentiary when [redacted] continued to practice noncooperation while being taken into the penitentiary and while being moved about within the penitentiary for fingerprinting, issuance of clothing, etc.

Memorandum for Mr. Belmont

This was discussed with [redacted] of the Civil Rights Division and it was pointed out that prior to any investigation at the penitentiary it would be necessary to notify the Governor or the person acting for him. The Governor and the Lieutenant Governor are presently in Honolulu and the Acting Governor is George Y. Yarborough, President Pro Tempore of the State Senate. [redacted] said that he did not desire any further investigation pending his review of the statements of the complainants on 6/28/61.

Prior to the above discussion with [redacted] efforts had been made to interview Sheriff J. Robert Gilfoy, Hinds County, Mississippi. Sheriff Gilfoy subsequently contacted the Agents and advised that when [redacted] were transferred from Jackson to the penitentiary they acted as though they were completely lifeless. They stated that they refused to move and upon being lifted into the prison van they both laid on the floor. When the van arrived at the penitentiary all of the prisoners except [redacted] got out. It was necessary to carry [redacted] from the van and [redacted] said at that time that he would not move a muscle and would have to be dragged wherever he was taken. They let themselves go limp and were lifted by two deputies who held them under the armpits and carried them permitting their feet to drag. [redacted] refused to remove their clothing for the purpose of dressing in prison attire and it was necessary to remove their clothes and also to dress them.

All persons handling the prisoners in the move from Jackson to the penitentiary were deputies of the Hinds County Sheriff's Office. They had been instructed by the Governor, the Sheriff and other officials to handle the prisoners in such a manner that no criticism could result. The space occupied by the prisoners at the penitentiary is being loaned to the sheriff's office and a deputy sheriff is on duty at Parchman to insure that the prisoners are properly treated and that no incidents arise. The prisoners are dressed in gymnasium trunks and T shirts in accordance with prison regulations. Sheriff Gilfoy denied that the prisoners had been abused in any way and stated that no electric shockers were used at any time. He also said that the deputies did not have wrist breakers and none were used in his presence.

Sheriff Gilfoy was present when the prisoners were removed from Jackson and taken to Parchman on 6/15/61 but he was not present on 6/16/61 when he believes that they were fingerprinted. Deputy Sheriff [redacted] was present when the prisoners were fingerprinted.

Memorandum for Mr. Belmont

[redacted] is still incarcerated at the Mississippi State Penitentiary. [redacted] was released on bond 6/19/61 and Sheriff Gilfoy stated that [redacted] did not indicate he had been mistreated in any way.

It is noted that complainants [redacted] after being contacted by Bureau Agents did not furnish any information concerning the civil rights complaint until they had cleared the matter with CORE.

The local press at York, Pennsylvania, has reported that Jo Alto Daniels, Executive Committee, York Branch, National Association for the Advancement of Colored People (NAACP), and J. R. Fortune, President, York Branch, NAACP, will board a freedom train on 7/12/61 which will go from Philadelphia to Washington, D. C. It was stated that the train is part of the program of the fifty-second annual NAACP convention meeting in Philadelphia from 7/10/61 to 7/16/61 and that the freedom riders will visit their respective Congressmen to press for civil rights legislation.

Dear Mr. Hoover:

I have received a copy of the letter written by [redacted] to his wife on Sunday, June 4th. In this letter [redacted] says, "The FBI, of course, is working more against us than anything else - they were supposed to be protecting us from the mobs - but they gave all information on us (after checking it) to the Jackson police. They told [redacted] that the people in his cell had very bad records (court martials, etc.) and I guess you know the rest."

I have no way of evaluation this statement by [redacted] However, I do know [redacted] and it seems to me that he is a responsible person. I do hope that you will investigate this allegation. Thank you for your concern.

"FREEDOM RIDERS"
(SECTION TWO, PROFESSIONAL GROUP)

A source who is in a position to furnish reliable information advised the New York Office of the Federal Bureau of Investigation on June 11, 1961, that two groups of "Freedom Riders" would leave Washington, D. C., on June 13, 1961, via Greyhound Bus, making various stops in southern States to determine if bus terminal facilities were integrated. One group reportedly consisted of eighteen clergymen, while the other group, which subsequently separated into two sections, was made up of fourteen professional and union people.

This memorandum will deal only with the second section of the Professional Group to arrive in Jacksonville, Florida. Information concerning the first section of the Professional Group and the eighteen clergymen, referred to above, are the subjects of other memoranda.

This group entered the State of Florida from Georgia at 4:25 p. m. on June 15, 1961, via Greyhound Bus and arrived at the Jacksonville, Florida, Bus Terminal at 5:15 p. m. on that date.

The group left Jacksonville by Greyhound Bus at 9:56 a. m., enroute to Tampa, Florida, with a rest stop at Ocala, Florida.

The group arrived at Ocala, Florida, at 12:23 p. m. on June 16, 1961, and entered the bus station waiting room. Five or six white males were in the waiting room; three of whom claimed the negro "Freedom Riders" stepped on their feet and bumped them as they entered the waiting room.

Arguments reportedly ensued and [redacted] Chief Criminal Deputy, Marion County Sheriff's Office, Ocala, immediately intervened. [redacted] told the group that he did not want to have any trouble and that they could not eat at the bus station restaurant and asked them to leave. The "Freedom Riders" reportedly refused to obey his order to leave and he placed three of them under arrest, charging them with failure to obey the lawful order of a Police Officer and attempting to incite a riot. The three arrested were

[redacted] who identified himself as a member of the "Freedom Riders" from New York City, contacted the Jacksonville Office of the Federal Bureau of Investigation from Ocala, Florida, on the afternoon of June 16, 1961. He further advised that he intended to make bond for the three individuals arrested, following which all four of them would immediately leave Ocala for Tampa and St. Petersburg, Florida, by Greyhound Bus.

The three individuals arrested were subsequently released on June 16, 1961, after \$1,000.00 bonds were posted for each by [redacted]. The \$1,000.00 bond consisted of \$500.00 on each of the above-mentioned charges. These three individuals appeared before Judge Lewis O. Myers, Marion County, Florida, and pled not guilty on the foregoing charges. They are to appear for trial on June 21, 1961, at Ocala, Florida. They then departed from Ocala with [redacted] at 7:10 p. m. on June 16, 1961, enroute to Tampa and St. Petersburg, Florida.

Re: Freedom Ride, 1961

This rally was addressed by Reverend Fred Shuttlesworth of Birmingham, Alabama, Orson Bean, comedian, Percy Sutton, President, New York Chapter, National Association for the Advancement of Colored People (NAACP), James McDonald and Genevieve Hughes. THE PHYSICIANS' FORUM, INC.

Records in the Office of the Clerk of the New York State Supreme Court, Foley Square, New York, reflect that the Physicians' Forum, Inc. (PF) was issued a Certificate of Incorporation on April 27, 1944, under the laws of the State of New York, to operate as a non-profit, membership organization principally in the United States. The PF, under the name of the New York Physicians' Forum, had been in existence as an unincorporated association since about 1939.

A source, on September 13, 1954, furnished a folder of PF entitled, "What Is The Physicians' Forum?" which stated in part that to maintain freedom of thought and expression in medicine, the Forum opposes the imposition of "loyalty oaths" as a prerequisite for licensure, for hospital appointments or privileges, in medical schools, on hospital staffs and against patients; to re-establish the freedom of the medical press, the Forum urges medical society publications to open their volumes to diverse views on controversial subjects; and to provide a forum wherein socially liberal doctors may express their views in opposition to the policies of organized medicine.

The report of the Sub-Committee to Investigate the Administration of the Internal Security Act and other Security Laws of the Committee on the Judiciary, United States Senate, 82nd Congress, 1952, on "Subversive Influence in the Educational Process" on page 37 sets out the testimony of BELLA DODD, member of the National Committee of the Communist Party from 1944 to 1948. DODD testified that the PF was established primarily by the Communist Party and although not all members of the PF were Communists, the "initiative for organizing the PF came from the Communist Party, came from the ninth floor (35 East 12th Street, New York City), where the National Committee of the CP existed."

The Communist Party, USA, has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

THE PHYSICIANS' FORUM, INC. (CONTINUED)

On May 11, 1960, the above source advised that the PF continues to be active in its program of supporting legislation which would provide medical care for the recipients of Social Security benefits; is active in its campaign seeking Social Security benefits for physicians; and is active in its campaign of alerting the medical profession to the problems of radiation hazards and its control.

The Physicians' Forum, Inc., is located at 510 Madison Avenue, New York, New York.

For a writ of habeas corpus

To the Honorable, the United States District Court for the
Southern District of Mississippi:

The Petition of Elizabeth Porter Wyckoff respectfully shows:

1. That your petitioner is a citizen of the United States and
a resident of the City, County and States of New York.

2. That your petitioner is now imprisoned and restrained of
her liberty in Hinds County Jail, in the City of Jackson, County of
Hinds, State of Mississippi, in this District, in the custody of
J. R. Gilfoy, Sheriff of said County of Hinds. Hinds County Jail
is a jail of the County of Hinds, State of Mississippi under the
jurisdiction of the said Sheriff of the County of Hinds, State of
Mississippi.

3. That the cause or pretense of such imprisonment and re-
straint is not known to your petitioner. Your petitioner has been
informed, however, and verily believes that your petitioner is held
as a county prisoner under the exclusive jurisdiction or custody of
the said Sheriff of Hinds County, State of Mississippi, pursuant to
a judgment of the Municipal Court of the City of Jackson, County of
Hinds, State of Mississippi, wherein and whereby your petitioner was
convicted of violating Section 2087.5, Mississippi Code of 1942,
anno., as amended and sentenced and committed to imprisonment in
the said Hinds County Jail for a period of ~~four~~ ^{two} months/suspended and fined
\$200.00. A copy of the said judgment, marked Exhibit "A", is
attached hereto and made a part hereof by reference. Petitioner
is presently confined in the Hinds County Jail until she works off
her fine of three dollars a day.

4. That the aforesaid judgment, sentence and commitment are void and without authority of law and the imprisonment of the petitioner is a denial of due process of law under the fifth and fourteenth amendments to the Constitution and also violative of the first and fifteenth amendments to the Constitution of the United States as hereinafter shown. The Court rendering and issuing such judgment, sentence and commitment was without jurisdiction so to do.

5. That your petitioner was charged and convicted of wilfully and unlawfully congregating with others in and around the Continental Bus Terminal, 201 East Pascagoula Street, City of Jackson, County of Hinds, State of Mississippi on June 2, 1961, all with an intent to provoke a breach of the peace.

6. That the true cause of your petitioner's arrest and conviction was the fact that she accompanied members of the Negro race engaged with her in interstate bus travel, into a waiting room in the aforesaid Continental Bus Terminal marked and delineated for the sole use of members of the Caucasian race.

7. That your petitioner has been advised by her counsel and verily believes that, under the Constitution of the United States as defined and set forth by various decisions and rulings of the Supreme Court of the United States, as an interstate traveler, she had an inviolate and absolute right to enter the aforesaid waiting room in the company of other interstate passengers, Caucasian, Negro or otherwise, and that her arrest, conviction, sentence and commitment are unlawful, invalid, illegal, and violative of the Constitution of the United States.

8. That your petitioner has not exhausted her remedies available in the Courts of the State of Mississippi because, in view of the short duration of petitioner's commitment and her inability to furnish bail, any such remedies would be unavailing, moot and academic, since, as your petitioner has been advised by counsel, her term of imprisonment will, under any circumstances, antedate any such relief. Furthermore, your petitioner has been advised by counsel and verily believes that any resort to the

Courts of the State of Mississippi would be unsuccessful and that the expense involved in taking such steps would be more expensive than she can afford.

9. That no previous application has been made for the writ herein prayed.

WHEREFORE, petitioner prays that a writ of habeas corpus, directed to J. R. Gilfoy, the Sheriff of the County of Hinds, State of Mississippi, by whom relator is detained, issue for the purpose of inquiring into the cause of imprisonment and restraint and of delivering her therefrom, pursuant to the statute in such case made and provided.
